

USE "REBEL YELL" WHEN THEY GO OVER TOP

Young Battle Cry Will Be Taught Men at Camp Gordon by Confederate Veterans.

ATLANTA, October 13.—The famous "Rebel Yell," the battle cry of the Confederacy, which thrilled Civil War soldiers, will ring over the bloody fields of France when the 82nd division, composed of troops trained in this country, faces the German armies. The battle cry, which has gone down in history as the most blood-stirring heard on any battle field, and which was so dear to the hearts of the men who went to the war in 1861, will be taught General Eben's men at Camp Gordon by a company of Confederate veterans.

Another bond between the North and the South will have been wrought when the hearts of the enemy by the "Yanks" of the 82nd instill terror in the hearts of the enemy by the "Yanks" of the 82nd division. General Eben, commander of the 82nd division, has requested Federal Judge William T. Newman, an old soldier, to make arrangements for a company of veterans to go to Camp Gordon and demonstrate the "Yell."

I want my men taught the rebel yell for their use in France," General Newman said last night. "I met Judge Newman on the occasion of a recent visit by him to see the camp, and at that time I suggested to him that the yell would not sound badly when the men met the Germans. Our boys will meet them when they go 'over the top.'"

Judge Newman said that he would make every effort to comply with the general's request. The sad death of General West delayed his plans, however, and it may be some days before necessary steps can be taken to the veterans to assemble at the camp.

Confederates will be thrilled to learn that the battle cry of their fathers is again being used in defense of freedom and democratic principles. It is noted that the precedent set by General Swift will be followed in other instances, and before long the entire United States Army may be using the yell when they charge.

Announcement Engagement.

DANVILLE, VA., October 13.—Mr. and Mrs. Charles B. Davis today announced the engagement of their daughter, Miss Culpeper, to John Calvin Drake, formerly of Richmond, but now of Birmingham, the wedding to take place November 17.

Buy Your Liberty Bonds at This Store

Pursuant to plans outlined at a meeting held Thursday, at 4 o'clock, at the home of Mrs. William Ruffin Cox, chairman of the Liberty Loan Committee of the Woman's Committee, Council of Defense, Virginia Division, we are pleased to announce the opening of a Liberty Loan Booth in this store to-morrow morning.

This convenience will enable women interested in the purchasing of Liberty Bonds, of which the number is daily increasing, to discharge the obligation with least difficulty and, at the same time, subject to any assistance possible to render by those in charge of the Booth.

The plan under consideration is to impress upon all local women their duty in buying at least one Liberty Bond each, and to stimulate to a greater sense of responsibility all men who have thus far neglected their duty in this regard.

The Booth will be in charge of different women each day during a period of two weeks, and each day some new charitable or philanthropic institution will thus find representation.

Those in charge of the Booth here throughout the two weeks will be as follows: Tomorrow, Council of Jewish Women; Tuesday, St. Hilda's Guild; Wednesday, Equal Suffrage League; Thursday, Colonial Dames; Friday, Instructive Visiting Nurses' Association; Saturday, Mothers' Club. For the week beginning October 22—Monday, Social Workers of Nurses' Settlement; Tuesday, The Catholic Women's Club; Wednesday, The Godmothers' League; Thursday, Colonial Dames; Friday, Y. W. C. A. and Belle-Bryan Day Nursery; Saturday, Daughters of the Confederacy.
